For this program, we invited as a guest to world record holder Mr. Om Mahajan 17 th years old. They had shared their experiences and struggle with us. They had shared how many problems they faced during setting the world record. They had said that they set the world record by continues cycling for 22hrs in a day. They also ride bicycle from Kanyakumari to Jammu Kashmir. They also inspired the young generation by saying that to set record we have to turn impossible things into possible then and then only we become winner. In today's era lot of youth are wasting their time on mobile, enjoyment but he set the record in such small age this is very honourable and great thing for us.

The motive behind the felicitation of all support staff is very clear that in all odd situation like pandemic or any other challenging work of cleanliness should be priority of any organization present in well aware field like education on this ground ZES decided to honor their staff, so that they all feel proud on their existing task which is very important contribution for Society as well as nation.
