OUR VISION

“To empower society with holistic development through quality education”.

OUR MISSION

To enrich knowledge with enhanced facilities to help Zeal students structure their careers to a glorious future and to develop the students as a resource within and outside the organization through holistic focus on character building through an array of curricular, co- curricular and extra- curricular activities.

ZEAL GROUP OF MANAGEMENT INSTITUTES

Zeal Group of Management Institutes has completed 15 plus years of establishment. With pride, we say that we successfully could convert students who joined us years before into professionals, ready to join the industry. The curricula of SPPU, Pune focus on imparting knowledge, honing skills, and developing the right attitude necessary for a career in business and computer applications. The Master of Business Administration (MBA) program prepares students for the demanding organizational roles of a diverse and rapidly changing business world. The primary objectives of the MBA program are to abreast a student with the latest and relevant knowledge from the field of management blended well with solid fundamentals and practical orientation so that they occupy positions in Multinational Companies, Foreign conglomerates, and Domestic Companies of repute. The fundamental objective of the MCA program is to impart the latest and relevant knowledge from the field of computer applications theory and practice and groom the students to take up challenges in the cyber world. It is the continuous endeavor of the institute to deliver the best.

MASTER OF BUSINESS ADMINISTRATION (MBA)

The curriculum for MBA is developed keeping in mind the national priorities and international practices. It also attempts to align the programme structure and course contents with student aspirations and recruiter expectations. This syllabus also attempts to align with National Goal of “Make in India”, Stand –Up India” and Digital India. The MBA programme prepares a student for a career in diverse sectors of the industry domestically and globally. The MBA programme facilitates learning in theory and practice of different functional areas of management and equips the students with an integrated approach to various functions of management. However, the demand for managerial skills is not limited to the industry. Managerial talent is much sought by the Government Sector, NGOs, non-corporate sector as well Savitribai Phule Pune University. Students are also expected to become entrepreneurs and their aspirations require a broad based learning encompassing the end to end processes involved in developing entrepreneurial skills.

OBJECTIVES OF THE MBA PROGRAMME

- To equip the students with requisite knowledge, skills and right attitude necessary to provide effective leadership in a global environment.
- To develop competent management professionals with strong ethical values, capable of assuming a pivotal role in various sectors of the Indian Economy and Society, aligned with the national priorities.
- To develop proactive thinking so as to perform effectively in the dynamic socio-economic and business ecosystem.

**Zeal Intellectual Property
Facilitation
Center (ZIPFC)**

Aim

At this juncture, it is quite important that the industrial fraternity, academicians, scientists as well as individual citizen remain updated with recent developments in the field of Intellectual Property Rights (IPR). More so, it is crucial as an empowerment tool for the Micro, Small and Medium Enterprises (MSMEs). It contributes significantly to the manufacturing output, employment and exports whilst rendering consistently higher growth rate compared to the overall industrial sector. The lack of information and knowledge to protect intellectual property seemingly ails this sector to a great extent. Hence, a step in this direction has been taken by establishing an Intellectual Property Facilitation Centre (IPFC) at Zeal Education Society's, Zeal College of Engineering & Research, Narhe, Pune.

Objectives of ZIPFC

To encourage creative and innovative research leading to the generation of new ideas and inventions.

To provide assistance to faculty members, staff and students of Zeal Education Society(ZES) in assessing the patentability and commercial potential of their Inventions.

To train faculty members, staff and students about provisional patent filing procedures in India.

To make faculty members, staff and students familiar with basic Patent filing process & make them aware about the various requirements/data to be provided for filling of patents.

Incubation Center

Zeal Institutes run an incubation center for budding entrepreneurs with its students as well as other individuals of the society. Industrial bodies such as MCCIA, deAsra foundation, MEA etc promote entrepreneurship. Zeal Institutes have a strong association with these bodies who encourage, guide and promote entrepreneurship.

Entrepreneurship Development Cell

Academic institutes have their responsibility in creating awareness about entrepreneurship. From idea generation to reality can happen with incubation centers that are established in our academic institute. Students can apply their theoretical knowledge gained in institute for successful ideas that will make them 'Job Givers rather than Job Seekers'. In the backdrop of above mentioned facts Zeal Education Society takes pride in established 'Entrepreneurship Development Cell'.

Our Mission

Spearheading entrepreneurship movement throughout the Zeal Education Society with a belief that entrepreneurs need not necessarily be born, but can be developed through well-conceived and well-directed activities.

Co-Working Space

Co-Working is a business services provision model that involves individuals working independently or collaboratively in shared office space.

HIGHLIGHTS

LIFE @ ZEAL

Pune is well known as 'The Oxford of the East' and has become an educational hub of the India. ZEAL is one of the leading Brands in engineering institutes of Pune. A lush green campus spread across 11 acres, excellent infrastructural facilities like class rooms, seminar halls, and laboratories with modern and sophisticated equipments and qualified and experienced faculty is an asset of the institute. With proven teaching learning system and good examination results, the institute has credited good academic ambience in Savitribai Phule Pune University.

We Offer at Zeal

- Assurance of well qualified and experienced national level faculties
- State-of-the-Art infrastructure with well-equipped digital classrooms
- Modern technique to observe individual student
- Dedicated staff for students' safety and security
- Updated and national level competent study material, books and e-learning material for reference
- Enrollment for Test series
- Regular feedback and parent teacher interaction
- Regular Confidence building, life skills and personality development programs

ZEAL CULTURAL CENTER

Zeal Cultural Center is for students of Zeal institute, who love acting/ Music/ Dance/ Arts. We have our College Music Studio, Dance studio, photo studio and recording studio.

The cultural center helps the students to explore and cultivate their hobbies and talents. Zeal cultural center students every year participate in various cultural events like Firodiya Karandak, Purushottam Karandak, Dajikaka Gadgil Karandak and many more.

ZEAL SPORTS ACADEMY

To develop the overall personality of the students and to widen their horizons of knowledge, various co-curricular activities are organized regularly. This year the students from our Institute have participated in various Annual Zonal Sports events Volleyball, Kho-Kho, Kabaddi, Weight Lifting, and Cricket, organized by the Inter Engineering Diploma Students Sports Association (IEDSSA). In a short time, we have won various prizes in competitions and earned admiration for our efforts in extracurricular activities across the state. Students of our college eagerly look forward to the see vents and participate in large numbers. These events are organized by students under the Chairmanship of the Principal and the observation of Faculty.

Transport for daily commuting is generally one of the worries of parents. To enable students to free themselves from the worries of the transportation, we have arranged buses for the students as well as staff. The College runs bus services from different locations so that students plying from any location within Pune have a near by pickup-cum-drop point to board the college bus to travel to and from college. This makes the transport hassle-free and ensures the students can focus on their studies. Parents also can have peace of mind while their wards are out in the college and need not worry about their safety.

ADMISSION ELIGIBILITY

MBA

Maharashtra State, All India Candidature Candidates and Jammu and Kashmir Migrant Candidature Candidates

- The Candidate should be an Indian National;
- Passed minimum three year duration Bachelor's Degree awarded by any of the Universities recognized by University Grants Commission or Association of Indian Universities in any discipline
