## 2. CONCEPTION OF THE PROGRAMME

In the post pandemic era the world is a **BANI** world (*Brittle, Anxious, Nonlinear and Incomprehensible)* where '*CHANGE is only the CONSTANT'*. The post pandemic era has shattered the entire businesses, systems and the most significantly human beings. The conventional, stereotypical ways of working professionals are now being changed and day by day the definition is being changing.

The Institute knows that India is going through a phase demographic Dividend, which can actually be a *'Cure' or a 'Curse'*. The cure lies only in the upskilling of the students who are the future Entrepreneurs, Leaders, Managers and Academicians. Keeping in mind the golden phase-demographic dividend, UN sustainable goals, National Education policy the institute has initiated –Campus to Corporate training program for each and every student. C2C helps to achieve not only the department level, institute level of national level Vision but also contributes in achieving the Global goals.

## 3. OBJECTIVES

1. To upskill the students on various Domains-Technical, non technical and soft skills training.
2. To make them corporate ready
3. To develop the Knowledge Skill and Attitude component so that they can face the challenges by the World
4. To follow the National Vision of upskilling the youth, implementing UN sustainable goal SDG 'Quality Education'.

## 5. PREPARATION OF THE EVENT

The corporate world is every changing and with India leading the world a huge amount of job opportunities are created which needs a X-Factor among students in terms of skills, talent and KSA component. Training and cell association with IQAC Cell has initiated Campus to Coporate training program was to be started for upskilling of the students. This initiative was further rebranded by Prof. Madhavi Shamkuwar-IQAC coordinator as 'Campus to Corporate Training program.' Following process is been followed during C2C.

## 6. PARTICIPANTS

36 students of MCA-II were enrolled for the program.

## 7.FEEDBACK

Technical skill is very good and helpful
Thanks so much for your very valuable training. I really enjoyed it, and appreciated that you made it fun! I feel much better prepared to deal with uncomfortable issues
Thanks so much for your very valuable training. I really enjoyed it, and appreciated that you made it fun!Quality of the content was excellent.Nice balance of theory and practice.
This training has equipped me positively with problem solving skills. It has helped me to see different ways to think and leverage challenge in my career . It's such an awesome experience participating in the training. The quality of the contents is superb.
Very good session
The way of his teaching is really good and it's knowledge improving .

The sessions are very interactive and has raised the programing and over-all knowledge
Very good training
Interactive session and helpful to improve programming knowledge.
Overall it is a good training program
Good interacting and knowledgeable session
Interaction between sir and students is really good
Very good sir will teaching very deeply.
The session was really very good and cleared all the doubts of my min which I was having in basics of Java some of points were very hard to understand but sir got it clear by explaining the same point till we understood it
Very good
It is very helpful and knowledgeable
Very good session
Having good experience so far
Its going good
It's a knowledgeable session which also solves aur doubt
Training is going in right way
Session was very good.

## 8. EXECUTIVE SUMMARY

C2C is based on the **UN sustainable goal of 'Quality Education'** and also is inline with the 10 skills required by World Economic Forum by employees in 2025.

The training has helped reduced the gap between Institute and Industry and has make students step ahead in their journey of Professionals. C2C is the transformational journey for all the ZIBACAR-MCA students.

Following are the key skills as specified by **World Economic forum which is one of the key driver of C2C along with SPPU MCA syllabus and SDG.**
