Action Taken in Response to Feedback

Feedback is an integral part of any process or system. Understanding the feedback, working continuously over it and improvising the process, is our moto. At ZIBACAR, we thoroughly analyze the suggestions / feedback given by our recruiters, parents, Alumni, students, and teachers. By correctly identifying the pain points and concerned areas of improvement, we implement the necessary solutions to improvise the placements. Based on the inputs, we conduct technical as well as employability skills training to make our students workplace ready.

Following are the action taken in response to the feedback given by our well-wishers.
