Date: 18th July 2018

Venue: CSMA Hall

Time: 9:00 AM to 11:00 AM

DIRECTOR

Director
Zeal Institute of Business
Administration Computer Application
& Research, Pune-411041.

ACADEMIC YEAR: 2018-2019

CLUB NAME: Social Responsibility Club

1. EVENT DETAILS

Day and Date	18 July 2018, Wednesday
Event Level	Institute
Event Category	Extra Cocurricular Activities
Event Name	Tree Plantation Awareness Program
Event mode	Offline
Venue	CSMA Hall, Outside Campus Rally
No. of Participants	208

2. EXECUTIVE SUMMARY:

Trees absorb carbon dioxide from the atmosphere during photosynthesis, helping to mitigate climate change by reducing the concentration of greenhouse gases. Through the process of photosynthesis, trees release oxygen into the atmosphere, which is essential for all living organisms. Trees provide habitat and food for a wide variety of plant and animal species, contributing to biodiversity conservation. tree roots help prevent soil erosion by holding the soil together, reducing the risk of landslides and preserving fertile land for agriculture.

3. OUTCOME:

Forests help regulate local and regional climates, moderating temperature extremes and influencing precipitation patterns. Access to green spaces improves mental and physical health, reduces stress, and enhances overall well-being. tree enhance the beauty of landscapes, urban areas, and recreational spaces, enriching quality of life and attracting tourism. eyes provide essential ecosystem services such as water filtration, pollination, and nutrient cycling, benefiting human societies and ecosystems alike. Tree plantation supports sustainable land management practices, promoting long-term environmental health and economic prosperity. Planting trees is an investment in the future, ensuring that future generations can enjoy the benefits of healthy ecosystems and a stable climate.
