## **2. CONCEPTION OF THE PROGRAMME**

With the advent of the digital age, the students prefer use to digital libraries and online reading material. As a result, the students can learn, explore and disseminate knowledge among their peers due to low costs and students are fascinated towards using online material. But, online material may not up to the syllabus expectation, sub-standard quality and lack the essence of true knowledge. So, to inculcate the reading habits among newly admitted students, it is very much essential that the students should be aware of various library functions and general guidelines. The library also stocks some historical / previous editions of books which may serve as enriching reading experience.

## **3. OBJECTIVE**

1. To make library a more popular among newly admitted students by increasing the book circulation number.
2. To introduce students with different genre of books available in library.
3. To increase the interaction between Academics, Librarian and students.
4. To inculcate the reading habits among students.
