**STANDARD OPERATING PROCEDURES
UNIVERSITY & INTERNAL EXAMINATIONS**

Internal Examination:

Internal exam is nothing but exams conducted in college/Institute and the papers are evaluated by the teachers of that college/Institute. Internal examination is the part of concurrent evaluation as per rules laid down by Savitribai Phule Pune University, Pune.

Purpose:

The Purpose of this SOP is to assist in the coordinated and consistent examination practices for all units in the end of the term as well as in the midterm. It helps to evaluate the progress of the students time to time before appearing to university examination.

Scope:

This SOP applies to all the regular students admitted in the current academic year.

Procedure for Internal Examination:

In the semester internal examination is conducted two times by the institute known as

- 1) CIE-I
- 2) CIE-II
- 3) End term examination

While preparing the Academic calendar for the current academic year the date of the Internal examinations is set with the collective discussion of coordinators.

The students and subject teacher were informed by the examination department of the institute prior to 15 days.

1. Time Table

Once examination schedule is finalized, the time table of the internal examination is prepared by the examination personnel under the guidance and instructions of Academic head and Director.

The timetable of the examination is circulated to students and displayed on the notice board 15 days before of the commencement of the examination.

2. A) Communication to paper setters :

The subject teacher known as internal examination paper setter are informed by email and notice 15 days before to prepare question papers as per completion of syllabus (expected least 2 unit should be covered) and submit it to head of the examination as a confidential document.

B) Instructions for paper setters

- Confidentiality must be strictly maintained.
- Examination papers must be typed under secure conditions with disks, pen drive and master copies kept locked away after use.
- Papers should be typed/printed in the format as:

Paper size: **A4**; Font style: **Times New Roman**; Font size: **12**; Line spacing: **1.5**

Header portion should be in font size 14 with bold and capital letters.

- The print should be sufficiently dark and clear to produce good quality photocopies.
- Each page must be numbered clearly. (e.g.) Page 1 of 2, at the middle bottom of the page.
- Use only one side of the paper when printing the examination paper.
- 'Instructions to the examinee' should be correctly specified on first page of the question paper.
- The question paper should be fairly distributed over the whole syllabus prescribed for the course during the academic semester. No question or part thereof should be out of the prescribed syllabus. Repetition of question must be avoided.
- A question/sub question should not be split across two pages, it should appear on the same page.
- Serial number of question should be given on the left hand margin and marks allotted to each question should be mentioned on right hand side of the paper.

- Where a question is divided into parts, the marks assigned to each part should also be indicated on the right side of the paper.
- Graphs, diagrams, maps, tables etc. must be originals and suitable for photocopying. They must either be incorporated in the typescript OR if they are to appear as separate sheets, they must be in A4 format and bear the paper number and must identify clearly the question to which it refers.
- The name of examination, subject and subject code as given in the heading should be carefully checked from the syllabus, available on university web site.
- Abbreviation of all kinds should be avoided, except those in special subjects.
- Ensure that the question paper does not contain any objectionable/unlawful contents/questions of politically or religiously sensitive issues.
