Criteria7: Institutional Values and Best Practices

7.1.5: Green Campus Initiatives:

At ZIBACAR, we are committed towards promoting environment-friendly practices at ZES campus. We have designed our entire campus to be green and conducive, providing students a positive learning environment. We have also given importance to promote the health and wellbeing of our students by introducing physical activities programs to prepare the students for healthy lifestyle.

The Institute is practicing following steps to contribute towards adoption of Green campus:

1. Use of Bicycles/Battery powered vehicles-

Bicycles is an eco-friendly mode to commute and to promote the same Institute encourages the use of bicycle by organizing 'World Bicycle Day' every year which helps in creating awareness for pollution free campus, minimizing traffic problems and encourage fuel-saving. Institute stakeholders living in the vicinity area of the institute always prefer to ride the bicycle or come by walking to the campus.
