Universal Human Values (UHV) Cell

About Universal Human Values (UHV) Cell

As per AICTE guidelines and in line with NEP 2020, ZIBACAR established the **Universal Human Values (UHV) Cell** on **August 17, 2024**, to promote ethical and value-based education.

The UHV Cell in collaboration with Student Staff Activity Body (SSAB) conducts **Student Induction Programs** at the beginning of each academic year to help new students understand institutional values and develop a sense of purpose. It also helps to organizes **seminars, workshops, and lectures** on human values throughout the year.

The cell operates as per AICTE's reference document **G911**, supporting the holistic development of students through the integration of universal human values into education.

UHV Cell Objectives

- To develop a holistic life perspective in students.
- To build confidence and commitment towards practicing human values.
- To integrate values with skills for sustainable happiness and ethical leadership.
- To align educational goals with Universal Human Values.

UHV Cell – Core Activities

1. Conduct meetings at beginning of Academics with faculty, staff, and students interested in UHV.
2. Promote faculty participation in UHV FDPs and workshops.
3. Provide access to UHV books and study materials.
4. Develop evaluation methods like exams, term papers, and projects.
5. Maintain communication with UHV Nodal and Regional Centers.
